

Gather Together Class

This class is designed around the “Gather Together” stamp featured in August – December 2020 Stampin’ Up! Mini Catalog.

The class features the Brushed Metallic Paper in the Mini Catalog and uses heat embossing along with a watercolor wash technique.

The projects are designed to be completed in the comfort of your own home. There will be a zoom meeting you can join live for tips and tricks that will also be recorded for your use later or if you cannot make the live meeting. The number of kits and time to purchase them is limited so be sure to order today.

Kit Information

Includes: Materials to complete 8 cards

Colors: Cajun Craze, Mint Macaron, Very Vanilla

Cost: \$12.00 per set of 8 cards
